DEVORE 2 NORTHBOUND I-15 NIGHTTIME WORK MAY EASE DELAYS

San Bernardino County – The Devore 2 pavement rehabilitation project on Interstate 15 (I-15) at the bottom of the Cajon Pass has affected the traffic flow for nighttime motorists. In order to accommodate nighttime commuters and holiday shoppers, Caltrans will delay the start time for the nightly lane closures on northbound Interstate 15 (I-15) for the duration of the project. The new lane closure hours for northbound I-15 are 10:00 p.m. to 8:00 a.m. The southbound I-15 lane closures will remain from 6:00 p.m. to 4:00 a.m. The nighttime work will continue Monday through Sunday with lanes reduced to one in each direction until the completion of the project in February 2007.

Motorists are advised to plan for approximately one or more hours of delay if traveling on I-15 between Glen Helen Parkway and Cleghorn Rd. Caltrans strongly suggests that you avoid the northbound delays by taking Interstate 10 east to Interstate 215 north and continue back to I-15 north.

Two more weekends of Rapid Rehab work are expected to take place in January 2007 (weather permitting).

Caltrans will give you a break for the holidays. To accommodate holiday travel, there will be no planned lane or ramp closures beginning Friday, December 22, at 6:00 a.m. through Tuesday, January 2, at 6:00 p.m. This includes the Devore 2 project and any other Caltrans construction or maintenance projects.
